

CALL TO CONFERENCE
SOUTH CAROLINA ORGANIZATION
FOR STUDENT SUCCESS
43rd ANNUAL CONFERENCE

Friday, April 17, 2026

Greenville Technical College
506 S Pleasantburg Dr.
Greenville, SC 29607

This year's conference theme is emblematic of the fact that when anchored in student success education is the vessel that transports students from where they are to where they want to be. As advisors, coaches, teachers, administrators, and other guides in the field of student success, we help students chart their path, steer through storms, avoid hazards, identify beacons of light, stay on course, and navigate the waters of college and life. If you are passionate about student success, then plan to hoist sails, catch wind, voyage to Greenville, and drop anchor with SCOSS.
